

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

U.S. Nationalization of PCT Application No. PCT/US03/06121

U.S. Nationalization filed herewith

Applicants: Smith et al.

PCT application filed: 28 February, 2003

For: FUEL CELL MEMBRANES AND CATALYTIC LAYERS

Preliminary Amendment

Assistant Secretary and Commissioner of Patents and Trademarks

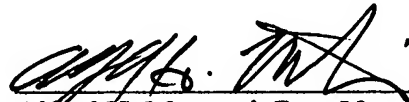

Washington, DC 20231

In entering the U.S. National stage, and prior to determining the filing fees thereof, please amend the above-identified US Application as follows:

Please delete Claim 15. Appendix A shows the claims as they presently stand. Claims 1-14 and 16-32 are pending.

Please note that Claim 15 was deleted to remove redundancy, as Claim 15 was identical to Claim 1.
